Cutting instructions:

PWTH039.8MULT Worn Wallpaper

Cut two lining pieces 11" x 8¼" (28cm x 21cm)

Cut one exterior band 5" x 8¼" (12.7cm x 21cm)

PWTH035.8MULT Rose Parcel

Cut one exterior back 11" x 8¼" (28cm x 21cm)

Cut one exterior front** 6½" x 8¼" (16.5cm x 21cm)

PWTH028.8MULT Botanical

Cut two flap pieces from 5" x 5" (12.7cm x 12.7cm)

Fusible Fleece

Cut 2 pieces 11" x 8¼" (28cm x 21cm), cut one 5" x 5"

12.7cm x 12.7cm

Assembly:

Note: All seams allowances are ¼" (.64cm).

1. With right sides together, sew the exterior front to the band to create the front of the tablet cover.
2. Following the manufacturer's directions, fuse the fusible fleece to the wrong side of the assembled exterior front and the exterior back pieces.
3. Using coordinating all purpose thread in your machine, and a stitch length of 3.0, top stitch ¼" (.64cm) above and below the seam that joins the main exterior fabric and the band on the front cover.
4. With right sides together, sew the exterior pieces together on three sides, leaving the top open. Clip corners and turn.
5. To assemble the flap, fuse the fusible fleece to the wrong side of one piece of the flap fabric. Stitch a 3" (7.6cm) section loop side of hook and loop fastener tape a ½" (1.27cm) above the lower edge of the underside of the flap, centered. With right sides together, stitch around three sides of the flap, leaving the top edge open. Clip the corners and turn. Top stitch around the three edges.
6. Center flap on back side of cover and baste in place. Slide the tablet into the cover to determine where the hook side of the fastener tape should be placed and stitch it in place.
7. With right sides together, stitch the lining pieces together on three sides, again leaving the top open. This time, also leave an opening of about 4" (10.16cm) along the bottom seam for turning. Clip corners.
8. Place lining inside the exterior cover with right sides facing and stitch around the upper edge. Turn through the opening in the lining. Slip stitch the opening closed. Top stitch along the upper edge of the tablet cover to keep the lining in place.
